- Provide professional assistance and interaction with donors (via phone, computer and face-to-face).
- Provide support when acknowledging appropriate financial and in-kind donations by correspondence.
- Support fundraising staff to generate development reports from database (sponsors, major donors, individuals, lapsed donor, etc.).
- Schedule and assist with various staff and volunteer leadership meetings.
- Provide vision, energy and passion for Habitat's mission, values and integrity in all aspects of the job.

Responsibilities:

- Create and put into effect strategies for a large sustained base of annual individual donors.
- Grow planned giving cultivation and solicitation.
- Manage and expand Partners for Sustainability and 1986 Giving Circle programs.
- Prepare and deliver gift acknowledgement letters, board thank you notes, new donor letters, anniversary cards and make thank you calls.
- Process donations (cash, credit card, electronic, stock, in-kind and others) as well as reconcile donations for deposits to be made by accounting and other development staff.

- Prepare online donation pages as specified (Bloomerang & WordPress).
- Format year end appeal and newsletter data (quarterly paper and monthly electronic) in MS Publisher and/or Bloomerang. Serve as print and electronic newsletter editor.
- Compile mailing lists.
- Create and update collateral materials to support gift cultivation, including both print and electronic.
- Update social media as needed.
- Update website as needed (WordPress).
- Maintain thorough and accurate database records and create fundraising reports and other database reports as needed.
- Provide fundraising support at fundraiser meetings, including document creation, donor research and donor prep.
- As appropriate, provide prospect research for CEO and DOD.
- Assist fundraisers with the planning, strategy and implementation of mailings.

Database support:

- Serve as the primary lead for the donor database, including its infrastructure, protocols, data entry systems, gift processing and report writing (Bloomerang).
- Identify and implement processes and improvements to ensure the integrity of the database, including troubleshooting/identifying inconsistencies and making corrections. Work closely with accounting and homeowner services teams to ensure integration of department activities.
- Specific Tasks Include:
 - Build queries.
 - Run reports.
 - Maintain account contact/journal records.
 - Implement moves management tracking and communication processes.
- Accounting Liaison – create database queries that support audit schedules and various monthly, quarterly and annual accounting reports; monthly reconciliation between accounting and Bloomerang data entry; year-end donation audit schedules.
- Work with organization leadership to conduct database management trainings to increase database skills and generate organization-wide database procedures and expectations (in conjunction with key staff).

Event Support:

- Represent Pikes Peak Habitat by attending luncheons and/or other social functions.
- Lead coordination of campaign, donor cultivation and other special development-related events.
- Solicit in-kind donations for various events.
- Solicit vendor discounts and in-kind donations across all departments for various needs.
