Virtual Home Dedications Celebrate Homeownership for Two Local Families

WHAT: Instead of celebrating in person, these house dedications will take place virtually as a **Facebook Premiere**. Pikes Peak Habitat for Humanity (PPHFH) will celebrate the **dedication of two new homes** in the Country Living development in Fountain, Colorado via a pre-recorded video.

Normally we hold a dedication ceremony upon the completion of Habitat houses, but because of the current COVID-19 situation, the in-person event will be shared instead on Facebook.

The two homes to be dedicated are the "Veteran Build" and the "Real Estate Build" for Amanda and Ron's family and Lisa's family, respectively. Learn more about the families and the house projects here: [Amanda and Ron / Veteran Build](#); and [Lisa / Real Estate Build](#).
