**Transforming lives. Building community.**
In 2020, we will

- Continue our Cost of Home advocacy campaign, including elections engagement
- Break ground on our inaugural Interfaith Build for Unity
- Break ground on a new 30-home mixed-income affordable homeownership development within a 90-home neighborhood in Colorado Springs

provide a hand up

At Habitat for Humanity, we look to address the affordable housing crisis by giving a hand up rather than a hand out. We provide permanent, affordable housing opportunities to individuals and families to own a quality home. We empower families and individuals to live better, healthier, and more sustainable lives.

El Paso County, Colorado applicants are vetted on a situational basis to ensure a healthy experience for all parties involved. Our programs require rigorous financial and homeowner education, and each family or individual is required to put in at least 200 hours of sweat equity into building the home. With the help of donors and volunteers, Habitat builds the homes and then is able to provide an affordable mortgage to the future homeowners.

Thank you to our 2019 Donors & Volunteers!

Our Mission:
Seeking to put God’s love into action, Pikes Peak Habitat for Humanity brings people together to build homes, communities and hope.
