Volunteer Safety

Safety of volunteers is a priority for Pikes Peak Habitat for Humanity. Please follow the instructions to watch our safety video.

1

Go to:

www.hfhaffiliateinsurance.com

2

Click on **Volunteers** from the menu.

3

Click on **begin now** from within the Online Safety Training Courses box.

4

Click **take training course now**.

5

Enter the access code **W8NAEBTG** and submit.

6

From the Recommended Courses, click on the **Restore Safety and Loss Control for Volunteers** course link.

7

The course will load and start automatically. At the end there will be a 10 question Quiz. Proceed with taking the Quiz. A minimum score of 70% is needed to pass. The quiz can be repeated if needed. Once a score of 70% or above is achieved, PPHFH will be notified via email.
