<u>Notes</u>		

\*Consider these reservations as 'penciled in'. These dates are all subject to change due to potentially unforeseen Covid-19 mandates and protocols (especially dates that are early on in the build cycle). We will inform all groups, as early as possible, of any necessary changes. This spreadsheet is for informal reservations only. All groups will need formally register (we will share details individually as the date approaches.)

\*\*Currently, 10 volunteers maximum permitted on site. This could change depending upon Covid-19 safety protocols. Volunteers must be at least 16 years of age and no experience is necessary.

\*\*\*Weather: The construction site will close if School District 11 closes due to bad weather. Sarah will be the person to call all registered volunteers to notify all participants if the build day will be cancelled due to inclement weather.
