Faith in Action Program by the Numbers

July 1st, 2019-June 30th, 2022

At Pikes Peak Habitat for Humanity (PPHFH), we are called to respond to our neighbor's needs, acting as God's hands and feet in service both locally in El Paso County, Colorado and around the world. When we come together with our community to help people build better futures for themselves and their families, we actively participate in doing God's work in the world.

Over the past three years, thanks to a Capacity Building grant generously provided by Habitat for Humanity International (HFHI), Pikes Peak Habitat has dedicated itself to expanding our Faith in Action Program to provide concrete ways for people of all faiths and no faiths to serve others. Despite the COVID-19 global pandemic, we launched and celebrated the completion of our first Interfaith Build for Unity (IBU), strengthened our congregational outreach through our Thrivent Faith Builds and Apostles Build, and partnered with faith leaders to create our Interfaith Build for Unity subcommittee. Through our variety of engagement opportunities, faith communities throughout El Paso County have been working collectively towards a world where everyone, everywhere has a decent place to live. Check out some of the things we have been able to accomplish during this timeframe.

In 2022-2023 Pikes Peak Habitat's Faith in Action Program will:

1. Dedicate the completed homes of our second Interfaith Build for Unity and our 2022 Apostles Build
2. Celebrate the U.N.'s 2023 World Interfaith Harmony Week with an event focused on "Building the Beloved Community" in El Paso County
3. Launch our Apostles Build subcommittee and Global Village subcommittee
4. Prepare for our first Global Village trip since the COVID-19 pandemic, in accordance with HFHI's guidance, while supporting ongoing projects by our new tithe partner affiliates in Bangladesh, the Dominican Republic, and Uganda
5. Continue to expand and strengthen our outreach to faith communities throughout El Paso County

No matter who we are or where we come from, we all deserve to have a decent life. Each of us desires the opportunity for a better future, and decent shelter is something we all need to thrive. Building better futures is what Habitat is all about. By empowering families to eliminate barriers to a better, healthier, more financially stable life, we help build successes that can impact others far beyond what we can imagine. At Pikes Peak Habitat for Humanity, this is what unites us. Working together to provide shelter, we empower.

Our mission:

Seeking to put God's love into action, Pikes Peak Habitat for Humanity brings people together to build homes, communities and hope.
