Year in Review

Global To Local

Our work helps transform lives and communities through housing, locally in El Paso County, and globally through our tithe. Driven by our vision that everyone deserves a decent place to live, we share 10% of our unrestricted funds to support select international partner affiliates and initiatives.

Did you know?

This border is the shape of El Paso County. We provide affordable housing solutions for the entire county!

In FY22, we will

- Dedicate the completed home of our inaugural Interfaith Build for Unity
- Further engage the faith community of El Paso County through our Faith in Action Program, enabled by our successful completion of a three-year capacity-building grant
- Launch a new three-year strategic plan – building on our mission, vision, and principles to address the urgent need for decent, affordable housing

everyone, everywhere

No matter who we are or where we come from, we all deserve the opportunity to have a decent life. Each of us desires the opportunity for a better future, and decent shelter is something we all need to thrive. By empowering families to eliminate barriers to a better, healthier, more financially stable life, we help build successes that can impact others far beyond what we can imagine. At Pikes Peak Habitat for Humanity, this is what unites us. Working together to provide shelter, we empower. Our shared vision is a world where everyone has a decent place to live.

Thank you to our FY21 donors and volunteers whose unwavering support helped families achieve strength and stability, and empowered us to build homes, communities, and hope in the face of uncertainty.

Our mission:

Seeking to put God's love into action, Pikes Peak Habitat for Humanity brings people together to build homes, communities and hope.
