Posts for social media

#DidYouKnow that when purchasing homes, single women pay approximately 1% to 2% more than single men and then receive 2% to 3% less when selling? #HabitatforHumanity #CostOfHome #EmbraceEquity #IWD2023

Affordable and equitable homeownership can help women to create generational wealth in their families.

[@Habitat_org](https://twitter.com/Habitat_org) helps to #EmbraceEquity for women and their families

Habitat for Humanity can help to #EmbraceEquity for women and their families through homeownership which contributes to wealth building for women and children. #HabitatforHumanity #CostOfHome #IWD2023
