

Day 2: Friday, Feb. 2

An Initiative of Pikes Peak Habitat for Humanity in Celebration of the 2024 UN World Interfaith Harmony Week

On Day 2, learn about some of the significant Colorado policies affecting homeownership for community members.

1 READ THE COLORADO HOUSING POLICY TIMELINE

Check out the Colorado housing policy timeline map on the next page to learn about some of the key pieces of legislation that have affected homeownership in our state. What areas or issues do you think may still need to be addressed by the legislature?

2 LEARN ABOUT YOUR RIGHTS

To help become civically active community members, it is imperative that we as Colorado citizens understand our rights and the rights of our neighbors when it comes to housing. Choose one of the videos below to learn more about fair housing laws and how to spot housing discrimination:
