Questions. The following questions are designed to help the committee chairperson and Pikes Peak Habitat for Humanity (PPHFH) staff lead evaluate the skills, capabilities, experience, resources, perspectives and/or attributes you possess.

How have you been involved with Habitat for Humanity up to this point? *Please include why you are interested in joining a committee and if you've had previous experience with affordable housing issues or advocacy.*

What are your other commitments that might interfere with your time serving PPHFH?

Many of the committees discuss confidential matters. In your personal and professional dealings, how do you demonstrate integrity, high ethical standards, and ability to keep vital information confidential? *Please list any potential conflicts of interest.*

Describe the role you most often take when working with a group of people.
