Pikes Peak Habitat invites you and your church staff to prayerfully consider the ways in which your congregation would like to partner with the 2025 Apostles Build.

The Apostles Build brings local churches from around El Paso County together to raise walls, funds, and prayers, all to build a house in partnership with a family in our community in need of affordable housing. Through this build, and as an affiliate as a whole, we seek to display the love of Christ by our work in the local community. The Apostles Build program is an opportunity to live out your church's local outreach ministry, fellowship with other church congregations, and see the miracle that occurs when God touches the hearts of future homeowners and the volunteers who work alongside them.
